After School Club

a place to learn and grow ...

Our Programme

Our After School Programme is designed to promote self-esteem through group activities and self-expression. The programme offers a wide range of engaging activities. Structured time is set aside for homework so that the children can spend more quality time at home.

Our Objectives

- To provide a safe and conducive environment for growing and learning
- To coach and supervise students in their school academic work
- To encourage positive learning and behavioural attitudes in students
- To encourage parents' involvement in the education of their children

Homework/Coaching

Provides at least an hour for homework completion. If your child does not have homework, he/she will be given some revision work in assessment books. On top of this, teachers will test them in their school spelling.

It's News to Me

Sharing of news articles to encourage the children to share their ideas and opinions and to be knowledgeable and discerning news reader.

Fit Brain

Activities like puzzles, games and quizzes to improve the children's logic skills and have fun.

Literature Appreciation

Children will engage in poetry, rhymes and story books that are not only fun and enjoyable but will also broaden their understanding, knowledge and vocabulary.

Science Exploration

Fun, easy and educational experiments to instill a love of Science in the children.

Character First

A programme that enables your child to grow into future leaders with positive character qualities.

Optional Additional Services Enrichment

- Reading Programme
- English Workshop
- Young Writers Workshop (P1-P6)
- Math Gym (P1-P3), Math Busters (P4-P6)
- Structured Science (P3-P6)
- Primary 1 Preparatory Class

Academic Intervention

For students

- with learning challenges or mild learning difficulties
- who need one to one coaching

The optional additional services are conducted separately by our qualified and experienced trained/NIE Teachers from our enrichment company.

We have a group of dedicated and qualified team of manager, coordinators and teachers who have strong passion for teaching and desire to shape the character of our students. We believe that the Seeds After School Club will enable the students to grow into mature individuals.
